Redesignation of [REDACTED] from Acting Branch Chief, I/MM to Branch Chief, I/MM.

25X1A9a

1. It is recommended that [REDACTED] be designated Branch Chief, I/MM. He assumed the responsibilities for the Branch on 1 July 1956 and has made an unusually fine showing during the past six months.

2. [REDACTED] is a member of the CIA Career Service having become a part of CIA on 2 February 1953.

3. [REDACTED] is an unusually alert responsive person. He combines with his background in civil engineering and industrial engineering a "good feel" for intelligence research. Under his leadership, I/MM has been productive and has had very fine morale. In my judgement, [REDACTED] is one of the very promising young men in OIR.
